

FACILITATOR PROFILE

Talal Abdulkarim Biography

In a time of drastic change it is the learners who survive; the 'learned' find themselves fully equipped to live in a world that no longer exists.

— Eric Hoffer

Talal Abdulkarim is a highly sought after leader, technology advisor and speaker. He is famous among senior executives for his innovative & creative skills in solving their most challenging business and technology problems.

For more than twenty years, Talal Abdulkarim has worked with top executives at some of the world's most successful companies, including Intel, Intersolv, AL Jazeera, and several other fortune 500 companies in the USA and the Middle East. He has also consulted with top organizations in the Middle East including Etisalat, Mobily, Mubadala Development, Qatar Financial Centre, Qatar Foundation, Al Dar, Ministry of Labour.

Talal Abdulkarim's cutting edge solutions has awarded him numerous distinctive contributions where he was recognized by CEOs and state heads. He is, as well, a frequent guest speaker on several media channels in the Middle East.

Talal's interest outside of work lies in volunteering in schools, universities, hospitals and communities. One of his main areas of interest is people development. Talal is married with 4 kids and enjoys spending time with his family in addition to reading, flying & teaching.
